Dear

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

You asked:

Please provide me with

- 1. The percentage of patients who have died on the Trust's end-of-life care plan against the Trust's target for the number of patients who should die on this plan over the last three years, divided by the year.**
 - e.g. Between 1 January 2016 and 31 December 2016, 43 per cent of patients died on the plan against a target of 35 per cent.
 - **Note: If no such target exists, please make this clear.**

WWL do not have targets for the number of patients we anticipate will die or the number that will die whilst we use an individual plan of care so we cannot respond to this question. We have never had targets for this.

- 2. The amount received by the Trust, via the Commissioning for Quality and Innovation (CQUIN) system or similar, for hitting targets related to its end-of-life care plan for the last three years, divided by the year.**
 - e.g. Between 1 January 2016 and 31 December 2016, the Trust received £X via CQUIN for achieving goals involving its ICP.
 - **Note: If no such payments were made, please make this clear.**

We do not receive any payment from CCG for CQUINs or any other initiatives related to end of life care and targets and have not done for the past 3 years.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271.
