Dear Sir/Madam,

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

You asked:

The data we require are as follows (for period 1st January 2019 and 31st December 2019) in an electronic format that allows us to read the data into a database.

Many hospitals respond to our survey and provide data in the form we require. Preferably this format is in an excel file or comma separated text file.

We require the gender of the patient (M or F), the date that they attended due to assault (dd/mm/yyyy) and their age. Age can either be numerical to the nearest year (preferred) or in age bands ("0-10", "11-17", "18-30", "31-50", "51+"), we can also accept date of birth.

To calculate the level of assault-related injury in England and Wales we also require the total number of attendances for any reason in the year of interest, i.e. 2019.

Please also include the names of hospitals providing assault data.

Please see the attached information.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
