Dear

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

We are now pleased to respond to your request for information under the FOI Act.

You asked:

1. *How much has Wrightington, Wigan and Leigh NHS Foundation spent on video production in each of the last five full financial years?*
2. *What proportion of the total five year spend has been used for internal purposes (including training, internal communications and recruitment) and what proportion has been used for external purposes (including public awareness and health education)?*

In the time frame mentioned, there was a dedicated videographer/photographer who worked solely on video production and photography. With this in mind, the amount dedicated to producing said videos would not have been separated out from his other duties. We no longer have this dedicated role in the Communications & PR Team.

3. *Please could you give me some information on the single most expensive video project completed in the five-year period, including its purpose and cost.*

We do not hold this information.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
