Dear Sir/Madam

**INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000**

You asked:

**Can you please provide details including expiry dates and expected annual value of?**

**1. any blood gas analysis contracts.**

Our current blood gas analyser contract expired March 2021. It is difficult to estimate the value of a contract going forward as the demand for blood gas analysis has risen steeply during the Covid Pandemic. Prior to the pandemic, the cost was in the region of £180K for Salford and Wigan.

**2. and point of care managed service contracts that are currently active for the trust.**

Pathology at Wigan and Salford had a MSC with Roche Diagnostics which expired March 2021.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
