Dear Sir/Madam

You asked:

1. Could you confirm if the Trust use or have purchased Microsoft Power BI?

No, the Trust does not own or use Microsoft Power BI. There may be systems that are hosted by another partner, such as NHS Digital, that makes use of it, but is not something we have purchased.

2. If not what other reporting system does the Trust use?

The Trust primarily uses Qlik (Qlikview & Qlik Sense) and Microsoft Reporting Services. Again, there may be other tools used or built-in to bespoke systems such as Oracle Discoverer, but the use of those will be low.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
