Dear ,

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

We are now pleased to respond to your request for information under the Freedom of Information Act.

You asked:

Could you please provide performance statistics for ophthalmology departments within your hospital in the attached format or guide me towards an already published report which provides the data requested.

I can confirm that the data collected through this exercise will only be used for academic research purposes. The aim of our study is to recommend service transformation and operations strategies to acute trusts in general. The same request has been made to most other acute trusts in the UK.

Please see attached.

I hope you find this information useful, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 256335. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Andrew Foster
Chief Executive
