Dear

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

We are now pleased to respond to your request for information under the Freedom of Information Act.

You asked:

Similar in nature to the Accident & Emergency Quality Indicators published monthly by HSCIC on a provider level (see relevant publication on their website), I kindly ask you to provide an Excel list reporting the same indicators but individually for all hospitals with an accident & emergency department that are part of your trust. For your reference, I have listed the same quality indicators for which I request information below.

As only one of our hospitals has an Accident and Emergency Department, our statistics are the same as reported on the HSCIC website.

I hope you find this information useful, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Andrew Foster

Chief Executive
