Dear

**INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000**

We are now pleased to respond to your request for information under the FOI Act.

*Please may I make an FOI request adapted from a previous request I have made in relation to Modafinil and diagnoses of Steven-Johnson Syndrome.*

*To refine my request in the hope it may bring it within the statutory requirements, please may you tell me:*

*By accessing records of patients attending the trust or its hospitals or medical centres an diagnosed with Steven-Johnson Syndrome (or SJS) in the past financial year (2016-17), how many of records make any mention of Modafinil, whether a known prescription or assumed cause of the case.*

*I anticipate there will be in the region of around 10 patients diagnosed per year per trust, judging by my previous request, so I hope it will not take too long to process the records manually.*

We are not aware of any patients diagnosed with Stevens Johnson syndrome in this Trust in the last financial year.

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271. If we do not hear from you within 28 days we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
