Dear

INFORMATION REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

We are now pleased to respond to your request for information under the FOI Act.

You asked:

I am writing to you in association with the University of Exeter Medical School, to ask a few questions about Adult ADHD Services in your area.

Please find attached the questions we would like to ask about your service

These ask about provision for people with ADHD who are aged 18 and above. The questions relate to general policy and cover the kind of information that might be on an information sheet for prospective referrers. We are asking about usual practice until year end 2016.

We are very grateful to you for taking the time to provide the further information about Adult ADHD services in your area.

This Trust does not supply Mental Health Services, please redirect your query to North West Boroughs Healthcare NHS Foundation Trust.
