Commercially sensitive information relating to the value has not been disclosed here as we consider that Section 43 (2) 'prejudice to the commercial interests of any party' of the FOI act is engaged. Disclosure of this information could be commercially detrimental to the Trust and companies acting on our behalf and result in less competitive prices for services. The likely consequence of this would be increased cost for service provision to the Trust. We have considered how the public interest might apply, and although recognising that there is a strong public interest in openness, there is a greater public interest in ensuring an ability to obtain best value for money

I trust that this information is helpful to you, however if you are not entirely satisfied with this response please do not hesitate to contact the Information Governance Department on 01257 488271.
