Dear Colleague

Have your say on the future of your hospitals

I am writing to you personally as Chief Executive of Wrightington, Wigan & Leigh NHS Foundation Trust to invite you to become a member of our NHS Foundation Trust by completing the form overleaf. Our hospital was successful in achieving Foundation Trust status in December 2008. NHS Foundation Trust Status enables us to continue to develop and improve local health care services in partnership with our members. We want our membership community to be representative of our local population and those who use our services.

By completing the form overleaf you will be registered as a member of our Foundation Trust. As a member of the Foundation Trust you will be eligible to elect a governor to represent your views and concerns. Members may also want to help us with surveys, attend events or you may simply want to receive information.

On the other side of this letter you will find the short form, I would be grateful if you would take the time and trouble to fill this in and help us to further improve the services we provide. I do hope you will join us as a member.

Kind Regards

Andrew Foster
Chief Executive
