Patient discharge information for Colonoscopy procedure without sedation

You can usually eat and drink normally after you have been discharged. It is not unusual to pass wind and have mild cramps after the procedure. You may not have a normal bowel movement for a few days.

If you suffer with any of the following, please contact us for advice straight away:

- Severe abdominal pains
- Develop chills or a fever
- Persistent vomiting
- Chest pain or difficulty breathing
- More than a small amount of bleeding from the bottom

Contact details:

- **Working hours 8am to 5pm – Endoscopy Unit on 01942 264236**
- **Out of working hours 5pm to 8am - Shevington Ward on 01942 822597**
- **In case of difficulty - Accident and Emergency on 01942 822441**

- ☐ You have been discharged back to GP care
- ☐ You will be sent an appointment for Mr / Dr in the post
- ☐ You will receive appointments for further investigations
- ☐ You will require another procedure in

Please use this space to write notes or reminders.

Comments, Compliments or Complaints

Ask 3 Questions

Become more involved in decisions about your healthcare. You may be asked to make choices about your treatment. To begin with, try to make sure you get the answers to three key questions:

1. What are my options?
2. What are the positives and negatives of each option for me?
3. How do I get support to help me make a decision that is right for me?

How We Use Your Information

For details on how we collect, use, and store the information we hold about you, please see patient information leaflet, Ref. **Corp 006** How we use your information, this can be found on the Patient Information Leaflets page on the Trust website, see details on the front cover.

This leaflet is also available in audio, large print, Braille, and other languages upon request. For more information, please ask in the department/ward.
