Dear Sir/Madam

You asked:

Please release all current policy documents, guidelines, memos, minutes of meetings and internal emails (and their attachments) that relate to the Trust's policy on elective C-Sections and so-called 'normal' or 'natural' (vaginal) births and in what circumstances either should take place. Any memos or emails should be dated after 20th February 2022.

Please find attached all meeting minutes and guidelines.

Please find exemption notice below for internal emails.

Refusal Notice for question(s) - The information that you have requested is exempt under Section 12 of the Freedom of Information Act because it will take more than 18 hours to retrieve and extract the relevant information.

12. — (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit. Regulation 4(3) of the Fees Regulations states that a public authority can only take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- determining whether the information is held;
- locating the information, or a document containing it;
- retrieving the information, or a document containing it; and
- extracting the information from a document containing it.

All public authorities should calculate the time spent on the permitted activities at the flat rate of £25 per person, per hour.

This means that the appropriate limit will be exceeded if it would require more than 18 hours work for all public authorities.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 28 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Rabina Tindale
Chief Nurse & DIPC
