Dear Sir/Madam

You asked:

- i) **The longest time period for which a patient was considered medically fit for discharge without being discharged at your trust in 2022; and**

148 days
- ii) **The number of patients who have died after being declared medically fit for discharge without having been discharged at your trust in each of the last 5 calendar years.**

We do not record this information, our medically fit metric excludes deaths.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department on email address provided. If we do not hear from you within 28 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Richard Mundon
Director of Strategy and Planning
