Dear Sir/Madam

You asked:

According to our records, your trust's contract with *Security Operational Centre* for Cyber security services is expiring this *month* (or has expired already).

Please could you confirm whether you have agreed a contract with a new supplier (if so what is the contract length and name of the supplier and system in question), or if you have extended your contract with your existing supplier? If neither, please provide details of what's happening at the minute (e.g. the trust is procuring a new system, the trust is developing an in-house solution etc).

We have extended the current contract with Cyberguard now known as Wavenet until 28.02.2024 we have a further 12-month extension option available.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 28 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Tabitha Gardner
Chief Finance Officer
