Dear Sir/Madam

With reference to your request for information received on 8<sup>th</sup> January 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

**I am writing to request the following information relating to your NHS Trust's training materials, specifically:**

**1. A copy of all training materials, or similar, issued to staff by your Hospital Trust relating to PREVENT since 1/1/23**

The Prevent training is a nationally mandated training requirement for which content can be accessed via the Trusts eLearning platform. This has been designed by NHS England and consists of two modules available to staff: prevent basic and prevent clinical.

As this training has not been designed by our Trust, the information is not ours to release. Please contact NHS England at [england.contactus@nhs.net](mailto:england.contactus@nhs.net) and write "Freedom of Information" in the subject line of your request.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Juliette Tait  
Chief People Officer
