Dear Sir/Madam

With reference to your request for information received on 28th August 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

1. **Does your NHS Trust provide its employees (doctors, nurses, other clinical staff) with Occupational Health (OH) Services? (Yes/No)**
Yes.
2. **If yes, what has been your annual spend on Occupational Health (OH) services for your employees over the last 3 years (FY 2021/22, 2022/23, 2023/24)?**
The Trust provides services to a number of external clients as well as Trust staff. Due to this, the annual spend is not able to be split by recipient.
3. **Please split the annual spending between physical occupational health services and mental occupational health services for the last 3 years (FY 2021/22, 2022/23, 2023/24).**
The Trust does not provide mental health services to its employees. However, as mentioned in the response to question 2, the breakdown is not available due to the way Occupational Health spend is recorded.
4. **Does the trust provide these services in-house, or does it outsource it through a contract?**
In-house.
5. **Please provide the split of the percentage of in-house vs outsourced services based on the values provided in Question 2 (i.e., how much is spent on OH services in-house vs contracting to outsourced providers) for the last 3 years (FY 2021/22, 2022/23, 2023/24)?**
The Trust does not contract outsourced providers for Trust employees.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
