Dear Sir/Madam

With reference to your request for information received on 1st May 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold part of the information you have requested. A response to each part of your request is provided below.

In your request you asked:

I am writing to request information under the Freedom of Information Act 2000. Please could you provide the following two sets of information:

- 1. The number of pregnant patients who identified as transgender (i.e. trans men, non-binary, gender diverse) who received care for labour and delivery with the obstetrics and gynaecology department at each hospital under your trust.**

Please provide this information broken down for each hospital, and the numbers from over the last three years, from January to December in 2022, 2023, and 2024.

The Trust is unable to provide this data as it is not recorded centrally, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

- 2. Any complaints received by each hospital under your trust, from a pregnant, transgender patient who received treatment from the obstetrics and gynaecology department, from the last three years (Jan-December 2022, 2023, and 2024).**

0.

Please disclose the nature and content of these complaints and provide them in a Word document format.
