Dear Sir/Madam

With reference to your request for information received on 21st July 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Under the Freedom of Information Act 2000, I kindly request the following information regarding hospital admissions related to pothole incidents:

1. Number of Patients Admitted Due to Pothole-Related Injuries, categorized by:

a. Type of Road User:

- i. Cyclists**
- ii. Motorcyclists**
- iii. Car Drivers**
- iv. Car Passengers**
- v. Pedestrians**

b. Year and Month: From January 2019 to the most recent available data.

c. Age

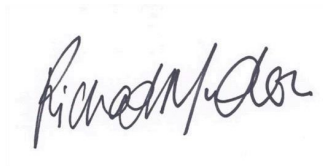

2. Details of Injuries Sustained, if available:

- a. Nature of injuries (e.g., fractures, lacerations, concussions).**
- b. Severity of injuries (e.g., minor, moderate, severe).**
- c. Description of injuries.**

The Trust is unable to provide this information as we do not have a specific code for “pothole- related injuries”. Therefore, this information is not centrally recorded, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
