Dear Sir/Madam

With reference to your request for information received on 28th August 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

This request is a follow up from FOI 10779 – Clinical Systems Request May 2025.

- 1. Could you clarify the contract expiry date of our Cardiology system Solus form HD Clinical. In your reply you stated it was 2024. Could you provide an update?**

The contract now expires 31/12/2027.

- 2. Could you also clarify if you are still using the Oncology systems Infoflex from Civica and Medway from System C.**

The Trust uses both systems in specific cancer teams.

- If yes, could you provide the contract expiry dates?**

Infoflex = expires 31/03/2026.

Medway is a Christie NHS Foundation Trust system, therefore this is not under a WWL contract.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
