Dear Sir/Madam

With reference to your request for information received on 11th August 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

1. Please confirm if the trust uses digital Remote Patient Monitoring and/or Virtual Ward solutions in Sleep diagnosis and treatment.

Yes, the Sleep Service uses remote monitoring.

2. If yes, please confirm the name of the solution and its contract end date.

Airview, ResMed. The contract end date is March 2028.

3. If paper-based, please advise of this also.

If the Trust is unable to obtain data remotely, we have the ability to view therapy data from the patient device or can download the data from an SD card.

Documentation of the outcome is done via the Trust's EPR system/GP letters and any ad-hoc information inputted on to the patient's profile on the Airview platform.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
