The Trust is not releasing the full registration number of the Trust's vehicles under Section 31 of the Freedom of Information Act. Please see the below.

Under Section 31 (1)(a) of the freedom of Information Act 2000, the information is exempt from disclosure where its disclosure would, or would be likely to, prejudice the prevention or detection of crime. The exemption is qualified by a public interest test. The trust believes that if it released the information requested into the public domain there would be a risk that this information could be used for fraudulent activities and disclosing the full registration may encourage vandalism or theft, all may place individuals at risk. Therefore, the trust considers that the balance of the public interest is in favour of withholding the information in view of the risk of crime.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.
