Dear Sir/Madam

With reference to your request for information received on 31<sup>st</sup> October 2025, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

**I would like to obtain the following information relating to injuries involving e-bikes (electric bicycles):**

- 1. The number of patients who have attended your hospital with injuries caused by, or involving, e-bikes in each of the last 4 calendar years (or financial years if this is how your data is recorded).**

2021 = 0.

2022 = 1.

2023 = 0.

2024 = 3.

2025 = 3.

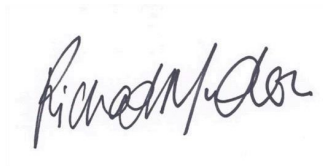

The above information is based on the 'presenting complaint' being recorded as 'Electric Bike', 'Electric Bicycle', 'ebike' or 'e-bike'.

- 2. Where available, please provide a breakdown of injury types or severity (for example: an increase in fractures, head injuries, fatalities, etc.).**

The Trust is unable to provide this data as it is not recorded centrally, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
