Dear Sir/Madam

With reference to your request for information received on 28th November 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that do not hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

**Could you please advise whether your Trust currently use any remote temperature monitoring solution with in your mortuary.
If yes please advise**

- **Who is the current supplier**
- **When does the current contract expire**
- **How much per annum are you paying**
- **Which department is responsible for maintaining the equipment**

The Trust does not use a company to monitor our temperatures.

The Trust have a system that was set up to alert when an alarm goes off and the Trust have a data manager that was purchased with the internal fridges that the temperatures can be read from.

This was purchased via LEEC (in full). There is no contract and no annual payment.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
