Date Received: 29th November 2023

Response Due: 29th December 2023

Date: 28th December 2023

Dear Sir/Madam

With reference to your request for information received on 29th November 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Please provide current waiting list numbers to the closest date possible for the following procedures;

- 1. Diagnostic Hysteroscopy**
- 2. Diagnostic Hysteroscopy with biopsy**

The Trust does not record this information to the level of granularity required to answer your request. There is not a specific service within Outpatients for Hysteroscopy, all patients are referred via General Gynaecology. There is, unfortunately, therefore no way for us to be able to identify the information requested.

- 3. Endometrial Ablation**

There are 8 Endometrial procedures on the waiting list, these include excision, removal and ablation. We are not able to report on the exact split between these.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
