

Ref: FOI/2024/9532

Date Received: 16th January 2024

Response Due: 13th February 2024

Date: 25th January 2024

Dear Sir/Madam

With reference to your request for information received on 16th January 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Under the FOI Act I would like to request the amount of times nurses working for the trust were a) assaulted and b) sexually assaulted in each of the last three years (2021, 2022 and 2023).

	2021	2022	2023
Assault on nurses	41	34	33
Sexual assault on nurses	13	Less than 5	Less than 5

The Trust has a policy of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and

Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Ehsan Haqqani
Associate Director of Governance & Patient Safety
