Dear Sir/Madam

With reference to your request for information received on 26th June 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

I would like to request a breakdown of the different types of beds available for ABI patients (split by level from level 1 – level 4) as well as neuropsychiatry patients across the hospitals in your trust.

Could you please provide and specify the number of beds for each sub-category that are listed in the Excel attached from columns D-H, split by the following information:

- 1. Name of each hospital in your trust**
- 2. Gender split (M/F/Mix)**

The Trust does not dedicate beds for acquired brain injuries or neuropsychiatry. It does not have any neuropsychiatrists affiliated to WWL as this is a purely regional service.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
