Dear Sir/Madam

With reference to your request for information received on 3rd July 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Please see exemption below.
- 3. How many of those injured were female?**
Please see exemption below.
- 4. How many of those injured were in the 18-24 age group?**
Please see exemption below.
- 5. How many of those injured were in the 25-49 age group?**
Please see exemption below.
- 6. How many of those injured were in the 50-64 age group?**
Please see exemption below.

9. How many of this injury type did you receive in:

- 2022

- 2020

Please see exemption below.

The Trust is unable to breakdown the number of DIY Injuries that have resulted in an A&E attendance due to there being less than 5 patients. Disclosing the breakdown could make this patient identifiable. Please see below.

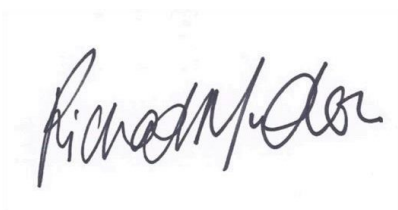

The Trust has a policy of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

- a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and
- b) Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
