The Trust is unable to provide this data as the Pharmacy systems do not store indication data. If recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

2. If breast cancer is not treated at or within the Trust, where are patients referred?

The Trust carries out Breast Cancer Surgery however if it is for Oncology treatment, the patients are referred to The Christie NHS Foundation Trust.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Lee Unsworth
Directorate Manager - Radiology, Cancer Services & Pathology
