Dear Sir/Madam

With reference to your request for information received on 10th April 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- 1. The number of patients diagnosed with cancer, broken down between 2018 and 2023, where:**
 - The source of referral for the cancer diagnosis was listed as 'Following A&E Attendance'.**
 - Attendances at A&E where the presenting complaint indicated that the patient was already known to have cancer or was undergoing cancer treatment were excluded.**

The Trust is unable to provide this data as it is not recorded centrally, if recorded it would be held within individual case notes. As case notes are for the care and treatment of patients, we do not request staff to interrogate them in order to collate the information required to respond to Freedom of Information requests.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,

Paritosh Desai
Divisional Director of Operations & Performance (Medicine)
