Dear Sir/Madam

With reference to your request for information received on 11th April 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- 1. The number of hospital admissions over the last five years (including 2024, where possible) where air pollution has contributed to the admission. For example, asthma or COPD induced or worsened by air pollution exposure.**
Unfortunately, the Trust does not have any coding that shows air pollution exposure has directly contributed to a patient's respiratory condition. Therefore, we are unable to provide an answer.
- 2. The number of deaths recorded over the last five years (including 2024, where possible) where air pollution is related to the cause of death. For example, when a patient has died as a result of acute or chronic respiratory failure, a severe asthma attack or COPD which was worsened by air pollution exposure.**
Unfortunately, the Trust does not have any coding that shows air pollution exposure has directly contributed to a patient's respiratory condition. Therefore, we are unable to provide an answer.

If you are not entirely satisfied with this response, please do not hesitate to contact the Information Governance Department via the email address provided. If we do not hear from you within 40 days, we will assume that we have been able to accommodate your request under the Freedom of Information Act 2000.

Yours sincerely,
