Section 21 - Information accessible to applicant by other means.

- (1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information.
- (2) For the purposes of subsection (1)—
- (a)information may be reasonably accessible to the applicant even though it is accessible only on payment, and
- (b) information is to be taken to be reasonably accessible to the applicant if it is information which the public authority or any other person is obliged by or under any enactment to communicate (otherwise than by making the information available for inspection) to members of the public on request, whether free of charge or on payment.
- (3) For the purposes of subsection (1), information which is held by a public authority and does not fall within subsection (2)(b) is not to be regarded as reasonably accessible to the applicant merely because the information is available from the public authority itself on request, unless the information is made available in accordance with the authority's publication scheme and any payment required is specified in, or determined in accordance with, the scheme.
- 3) The number of de-escalations (Serious Incidents that have been declared and then agreed not a serious incident with commissioners) for the last five financial years and for 2023/24 so far by month and year and type

Refusal Notice: Sec 40(2) Personal Information

The Trust has a policy of not releasing information when the data involved is less than 5. This is because we feel that such low numbers could make the individuals involved identifiable and therefore may cause undue harm and distress.

To disclose this information would:

 a) Contravene the Data Protection Act principles in that it would amount to unfair and possibly unlawful processing, as there was a legitimate expectation by the third parties that this information would remain confidential, and Disclosure may cause damage or distress to the individual(s) involved, and that damage or distress would be unwarranted (section 10 of the DPA).

4) The number of reported patient safety incidents for the last five financial years and for 2023/24 so far – by month and year, type and harm level
