Response Due: 29th November 2023

Date: 23rd November 2023

Dear Sir/Madam

With reference to your request for information received on 1st November 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

1. The total number of expectant mothers registered at your trust, broken down by financial year, since 2010.

Year	Bookings
2010	Unable to get data from Euroking
2011	3372
2012	3278
2013	3317
2014	3285
2015	3122
2016	3205
2017	3080
2018	2844
2019	2720
2020	2868

2021	2849
2022	2964
2023 (to date)	2425

Please note the Trust only started to use Euroking in late 2010, meaning that the majority of the data for the year is not held on the system.

2. The number of expectant mothers registered at your trust, who have been informed that NHS provided in-person antenatal classes are full, broken down by financial year, since 2010.

The Trust do not record this data.

3. The number of expectant mothers registered at your trust, who were able to access NHS provided in-person antenatal classes, by financial year, since 2010.

The Trust do not record this data.

Whilst our midwives deliver the training, it is actually funded and hosted by Startwell Centre, who are run by Wigan Council.
