

A Communication
Champion will usually
be a Teaching
Assistant who will act
as a resource for
colleagues in
delivering targeted
interventions for
children with SLCN
(Speech, Language,
Communication
Needs)

Every mainstream primary school will be invited to identify a Communication Champion for their setting

All
Communication
Champions will
be required to
register each
academic year

A Communication Champion is someone who is given **opportunities** to develop greater knowledge and understanding of a range of **practical ideas** re SLCN Communication
Champion
Network

Communication
Champions will
be able to
access regular
Cluster Meetings
(termly)

Registered

A Communication Champion is **NOT** expected to deliver **ALL** targeted interventions for SLCN in their setting.

A Communication Champion is **NOT** expected to coordinate outside agencies involved with a child (SENCO role.)

Cluster Meetings will be free of charge and include training to help deliver an aspect of targeted intervention.

There will also be opportunities to share ideas, resources and 'Glimpses of Brilliance!'
