

SPECIALS BOARD

Signalong

An accredited foundation course, covering basic signing vocabulary, delivered as 15 hours of training. Alternatively, a Signalong workshop can be developed and tailored to suit the specific needs of the setting. This can be delivered as 2 90 minute sessions to give an overview of signing and practical advice to embed key signs into everyday activities.

Parent Workshop

Increase parent engagement with the opportunity to deliver a workshop alongside a Speech and Language Therapist. Workshops typically promote key messages relating to reading and adult child interaction. Parents and children are invited to engage in interactive activities that bring core principles to life e.g. how to follow a child's lead, supporting vocabulary development and how to support receptive and expressive language development. Find out more by contacting Lynn John to tailor your very own workshop.

PRICES AND PACKAGES

Personalise and tailor your training package to meet the training demands of your school. Main dishes and desserts can be combined to produce a bespoke package of training.
