

Sharing books

I like it when you give me time to think about what I want to say

I need to learn 8 new words everyday! Sharing books is a great way to help me

I will listen for longer when you let me choose the book

Did you know?

It's helpful when you point to pictures and talk about what we can see on the page

It's easier for me to listen when you turn off the TV and put your phone away

I like it when you make silly faces and noises
