

# Sharing books

Primary School: Juniors

Children need to learn 8 new words everyday! Sharing books is a great way to help build vocabulary

Children find it helpful when you give them time to think about what they want to say

Children will listen for longer when you let them choose the book

Did you know?

It's helpful when you point to the pictures and talk about what you can see on the page

It's easier for children to listen when you turn off the TV and put your phone away

You can help to build language skills by talking about what might happen next, how different characters may feel, and re-telling the story together at the end
