What is the role of the Head and Neck Nurse Key Worker?

The Head and Neck Nurse Key Worker provides a service for patients diagnosed with cancer. The Head and Neck Nurse works closely with the Head and Neck team involved in your care. The nurse is available to provide a point of contact from diagnosis through investigations and treatment for patients and their families affected by a life-changing diagnosis.

We can offer:

- Advice and support to you and your family.
- A link with other services and treatment centres.
- Point of contact.
- Referral to other services as required.
- Support group meeting.

How to access the Service

The Head and Neck Nurse is based at:

Top Floor Christopher Home
Royal Albert Edward Infirmary
